

Top Secret - Puzzle master's Eyes Only!

Try solving the puzzle on your own first but if you need a little help here are two to three clues for each puzzle
They are spaced out so you can still play along.

Good luck Museum Detectives!

Puzzle 1: Dino Puzzle (2 Clues)

Clue 1: Cut out squares to use as puzzle pieces.

Clue 2: Use the Curator's File to find pictures of some of the new dinosaurs that are going on display at the museum.

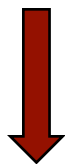

Puzzle 2: Fossils of the Menefee Formation (3 Clues)

Clue 1: Try solving the name of the cipher first (look for letter patterns).

Clue 2: Read about letter shifting ciphers in the Curator's File.

Clue 3: Look for a number clue or two letters that equal each other.

Puzzle 3: Find & Seek Artifacts (3 Clues)

Clue 1: Color in only the artifacts.

Clue 2: Like stars and the constellations, try connecting the artifacts to make a letter.

Clue 3: The letter matches the first letter of 2 locations.

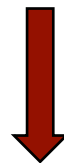

Puzzle 4: Ice Age Tracks Cipher (2 Clues)

Clue 1: Find the name and then look only at the green letters.

Clue 2: This word is also something that grocery stores have.

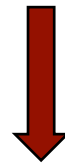

Puzzle 5: Kyrgyzstan Rug Puzzle (3 Clues)

Clue 1: Look at the larger of the two rugs and not at the Curator's pigpen example.

Clue 2: The cipher shapes will match designs in the rug.

Clue 3: The answer is the room location of the missing fossil.

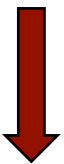

Puzzle 6: Excavating a Site (3 Clues)

Clue 1: Know your X & Y coordinates when mapping a site.

Clue 2: Last coordinate is a fossil number.

Clue 3: Last coordinate answer is between 2 and 4.

Puzzle 7: Studying the Trees (3 Clues)

Clue 1: Does the shape of the tree ring remind you of something you may have on a wall in your house or a classroom?

Clue 2: A list of appointment times may help with the solution.

Clue 3: Look only at the underlined numbers.

Final Puzzle: The Password

Clue 1: Look for shapes on each puzzle page that match the shapes on the Clue Sheet. Use all caps!

Clue 2: Remember the hidden message in the Dinosaur Puzzle.

Clue 3: Look for the solutions to the puzzles with green marks.

Think you did it? When asked for a password, type in the word you found and see if you are correct.
