

Science Saturday @ Home: What's a Bug?

Cut out your bugs from the bug sheet and glue them into the column that they belong in.

Insects	Arachnids
<p>What to look for!</p> <ul style="list-style-type: none">-Wings and/or antennae-Body in 3 sections (head, thorax, tail)-6 legs	<p>What to look for!</p> <ul style="list-style-type: none">-No wings or antennae-Body sections only 1 or 2 parts- 8 legs

Science Saturday @ Home: What's a Bug?

Bug Sheet: Can you identify the bug and tell if it is an insect or an arachnid? Color them in, cut them out, and glue them in to the group they belong to.
